Maack & Company is a mid-market characterized tax advisory firm based in the heart of Hamburg, Germany with a branch office in Bremen. Together with our affiliated firms JFS Treuhand & Revision (audit) and Maack & Collegen Rechtsanwalts-gesellschaft (legal) with approx. 70 employees we offer one-stop holistic consultancy.

Our client base reaches from mid-sized and family companies to major energy and construction groups as well as international retailing groups with an annual turnover of more than 3 billion EUR.

We do not only offer outstanding competencies in general tax, legal and audit advisory but also in requests extending everyday business. Besides restructuring we develop advanced solutions in inheritance and gift issues under conditions of legal certainty. Further we offer VAT consultancy as well as accompanying clients in audits of the fiscal authorities and in matters of tax litigation.
