Dear fellow IAG members,

IAG International, Toronto, June 5–8, 2014

We are proud and excited to welcome you to Toronto for the June Assembly.

We have put together a website with all of the information you will need about the program and the hotel. You can register and book your hotel through this website. We have also included links to other Toronto area attractions for those staying a bit longer. You will see that the excellent room rate for the hotel can be extended for a few days.

We will have optional golf on the Thursday, June 5 and we have added a full day trip to Niagara Falls and the surrounding Niagara wine country as an optional event on Sunday.

We hope you like the program and we look forward to seeing you in June! Here is the link to the website:
