

Dear fellow IAG members, Colleagues, and, Guests,

Namaste!

We warmly welcome the members of the IAG to “*Aamchi Mumbai*”, literally meaning, “*Our Mumbai*”. The city of Mumbai is a feeling that can only be experienced. A collection of 7 divided islands originally, today, Mumbai stands united as one mass; united by its bridges of religion, spirituality, commercial trade and the feeling of belonging. *Aamchi Mumbai* is all about the bond of togetherness one shares with it and each other which we warmly extend to you.

Mumbai which is named after its patron Goddess, *Mumbadevi*, was earlier known as Bombay and was rechristened again as Mumbai as an ode to the Goddess. The citizens of Mumbai, colloquially called Mumbaikars, are resilient and hard working and never leave an opportunity to grow and live life to its fullest. If one ever wondered what being in India would feel like, a few hours in Mumbai could easily answer this question since diverse cultures, cuisines and varying levels of commercial trade of India cordially coexist here. In addition to being the financial capital of India, Mumbai is city of bustling trade, fame, fashion, drama, cinema, and, such other vertices of life which makes Mumbai a connoisseur of unity and diversity simultaneously. Mumbai always leaves her visitors craving for more.

To complement the objectives of the IAG, we have on offer the iconic and premium Taj Mahal Hotel adjacent to the majestic Gateway of India, with views and experiences second to none. We have scheduled programmes and events that shall enchant you by bringing the best of the vibrant city right to you and would definitely make you want to leave a part of your heart here in Mumbai.
