

Dear IAG colleagues

IAG ASSEMBLY – DUBAI – JOINT MEETING WITH MORISON KSI

If you are anything like me, you will be finding it hard to believe that we are already writing to you about the next IAG assembly in Dubai in November yes, the end of another year is nearly upon us.

What better way is there to finish the year off than by getting together with your IAG colleagues in the desert in Dubai ?

Apart from catching up with old and new IAG friends, there are other compelling reasons why your Board thinks you should be coming to this Assembly –

- As you will recall, this is the joint meeting being held with Morison KSi. Our relationship with that organisation remains strong and the opportunity to have a joint meeting is currently only arising every 2 years. The core events for the Assembly are a joint half-day IAG-MKSi business session, followed by dinner together under the stars at the Dubai Golf and Polo Club. A strong IAG representation at Dubai will doubtlessly also add strength to that relationship.
- We are delighted to report that there will be a number of potential new members looking to attend the Dubai Assembly as observers, on the back of strong recruitment efforts by your Board.
- The Dubai Assembly is also the first opportunity you will have to meet and greet our new Administration Office manager, Charlie Birts, now in a handover period from Chris – and you don't want to miss out on that one either !!
- The destination is unique, we have included a classic 'Desert Safari' evening, and this Assembly gives you the perfect opportunity to "tick that box"

Please give your attendance at this Assembly serious consideration, I hope to see you there.
